**Are you a skilled, dynamic leader of service development looking for a valuable and meaningful role in enriching the lives of others?**

L'Arche Lambeth is a person-centred community enabling people with learning disabilities to fulfil their potential and achieve rich and rewarding lives. We have spent the last year preparing to change from registered care to supported living. Now we need someone to lead the implementation phase. You will be responsible for restructuring and modernising our services, and managing a diverse team of committed assistants.

L'Arche Lambeth is a Christian ecumenical community welcoming people of all faiths and none, which brings an added richness and complexity to our service provision. The leader we are seeking will have experience of managing excellent supported living services, combined with an empathy for the vision of L'Arche. See [www.larchelambeth.org.uk](http://www.larchelambeth.org.uk) for more information and how to apply. Closing date noon Wed 4<sup>th</sup> January. Interviews Monday 16<sup>th</sup> January.
